Who's Who in American Junior Colleges

The basic concept of "Who's Who Among Students in American Colleges" is to provide a national basis for the recognition of outstanding campus leaders.

Only second year college students are eligible for nomination. Nominations are submitted to Dean of Student Affairs in December by departments of the college and sponsors of extra-curricular activities. Russell Named Coach of the Year

Coach John T. Russell, guided his Pearl River Junior College Wildcats to their 2nd Miss. Junior College Conference Crown, and was selected Coach of the Year for the second time in a row by the Mississippi Junior College Coaches Association.

Last year Russell won the honor when he led his team to a 10-0 season record and a fine National ranking of 4th. This year Russell and his fine coaching staff consisting of Coach J. C. Arban and Herb Morris, have guided the Wildcats to a fine 9-2 record including the 27-8 victory over East Central Warriors at Decatur for the Mississippi Junior College Championship.

Second in a Row

As Custer was reported to have said when he was surrounded by the Indians in his famous last stand, "That's what I call a balanced attack."

The Warriors of East Central Junior College found history reversing itself in the State Championship grid battle with the Wildcats of PRC, December 4, in Decatur when the Wildcats brought to the game the most balanced attack possible, averaging 160.2 yards in the air and 160.2 yards on the ground per game for the season.

The Warriors of East Central slept through the first three minutes of the State Championship game, and by the time they had rubbed the slumber from their eyes, they were trailing by 14 points, and the Wildcats were on their way to their second State Championship in as many years, as they went on to win the game 27-8. Most Valuable Player honors went to Dennis Wilson and Donald Bridges.

The entire Wildcat staff and team should be congratulated on a fine season and a job well done. I know I can say on behalf of the PRC student body and faculty how much we appreciate what the Wildcats have done for our school.

Opening their season as defending Champions of the Mississippi Junior College Conference the Wildcats traveled to Booneville to take on the Tigers of Northeast.

Neither team could put points on the board in the first half, but in the third quarter the Cats exploded for three quick scores to put the Tigers on the defensive. The Wildcats held the Tigers to a meager three points coming on a 30-yard field goal as the River went on to take the season opener 26-3.

Dennis Wilson and Newton Blount were chosen as the Most Valuable Players of the game for their work at Booneville.

After the impressive road victory over the Tigers, the Wildcats returned home to take on the always tough Southwest Bears.

Southwest came to town looking for revenge for last year's lost to the River but found the going tough as the Cats rolled up a 19-0 half-time lead and went on to rout the Bears 36-6 picking up their first South Division win on their way to the Championship.

The Most Valuable Player honors went to David Stuart and Wayne Smith.

Playing one of their regularly scheduled home games in Columbia, the River hosted the Northwest Rangers of the North Division.

The Wildcat offense worked with perfection, throttled by quarterback Dennis Wilson's two touchdowns and a 37-yard run which set up another score. The Cats found it easy going against the Rangers defense.

The Rangers couldn't penetrate the rugged Cat defense and were forced to give up possession of the ball time after time. The Rangers finally got on the score board in the 4th quarter on Randy Bufford's two-yard run but bowed to the Wildcats 28-7. Most Valuable Players of the game were Dennis Wilson and Doug Stuart.

The following week the Wildcats traveled to Picayune to take on their arch-rivals the Perkinston Bulldogs. The usually potent Wildcat offense couldn't seem to get started and had to rely on the Cat's rugged defense to stop the Bulldogs and keep their unblemished record.

The Wildcat defense showed its grit by stopping the Bulldog's hard running offense inside the one yard on three separate occasions.

The Wildcat scores came on a two-yard run by Jerry Washington, a two-point safety by Bruce Duck and Tommy Young and a 26-yard field goal by Gene Estapa, along with Glennis Penton's extra point to give the Wildcats a squeaky 12-0 victory. The victory over the Bulldogs was the 14th consecutive win for the Wildcats, and gave them Number One position Nationwide.

The Most Valuable Players for the Perk game were Kenneth Hathorn and the goaline defense.

The Cats hit the road traveling to Scooba, Mississippi to take on the East Mississippi Lions in what proved to be the longest game of the year for the River.

The Cats' offensive machine looked as if it would blast the Lions out of the stadium in the first quarter when Dennis Wilson broke loose up the middle for 25 yards and a touchdown to put the Wildcats in front 6-0.

Plagued by fumbles, pass interceptions and penalties the Wildcats were never able to regain their first quarter momentum. Losing six out of eight fumbles, two passes intercepted inside the twenty-yard line and having two touchdowns called back due to penalties was too much to recover from as the Wildcats went on to take their first loss of the season 23-12.

Most Valuable Player Awards went to Lynn Patrick and Mark Lott.

In their second year under Coach Miller Hammill the Wildcats played some of the most exciting games in recent years, posting a season overall of 9-15.

Leading the way for the Wildcats was Freddie Jordan, who was named All-State for the second year in a row, with a 20 point per game average. Tony Graham from Improve hit at a 14 point per game average while John Merritt from Lumberton was the team's leading rebounder with 9 rebounds per game.

Other starters for the Wildcats were: Wallace Carbonette, Mike Sumrall, and Lee Jackson.

"The boys gave a fine effort this season and with a few breaks I feel like we could have had a winning season," states Miller Hammill.

The local and student support was much more in evidence as the Cats played many of their games to capacity crowds. With four starters returning to the squad next year, watch out for the Wildcats.
